

# Summer School 2016

Summer School will be held from 8:00-3:15, June 7 – June 30, 2016. Students will be involved in a variety of both academic and physical activities. We will offer core academic classes, with an emphasis on language arts and math. Educational activities will enhance the curriculum. Children enrolled in summer school will swim at the water park free of charge. Students should bring their swimsuits the first day. Students are encouraged to wear their swimsuits under their clothes and bring dry underclothes in a bag. Students also need to bring a towel and sunscreen.

**Breakfast and lunch will be provided free of charge to all children.**

To help us make more accurate plans for classes and bus routes, please return the form below with your child by Friday April 29<sup>th</sup>. If you have any questions, please feel free to contact the elementary office at 469-2474 ext. 100.

day of Summer School**

We only run 6 routes in the summer compared to 14 routes in the regular school year. To minimize the amount of time students have to spend on the bus, drivers may designate certain pick up and drop off locations. Please be patient with us as we try to make these routes as efficient as possible during the summer. Please contact the driver prior to the first day of school if you would like your child to ride the bus. If you have questions about which summer route you live on, please call the elementary office at 469-2474 ext. 100.
